

ENGLISH
GRADE 3 - ACTIVITY 1

Ex. 1 – I read the text below.

On the first day of school, Miss Lilly is in the classroom. The pupils sit at their desks. Sarah is super excited because she loves making new friends. Emma is happy because she enjoys being in class. Jake is a bit angry because he wants to sit in the front row. Sadie looks a little sad because her school shoes are old. Mala and Bruno appear scared because it is their first day at a new school.

Miss Lilly warmly welcomes everyone and introduces Mala and Bruno, the new pupils. To make Mala and Bruno feel welcome, the teacher suggests the whole class sing the 'Hello Song.' As the cheerful tune fills the room, the pupils, including Mala and Bruno, become excited, happy, and forget any worries. The classroom is now full of smiles, friendship, and a mix of emotions.
